Puppy Kindergarten

For Puppies 3-5 Months

4-Week Class

\$80

In this class, we cover a variety of puppy issues such as mouthing, crate training, socialization, and house training. In addition, we introduce puppy manners and obedience commands such as "sit, down" and "come." The course goal is to set up your puppy for success as he or she matures into adulthood and advanced training.

Dog About Town Basic Obedience

For Dogs 5 and 1/2 Months and Older

7-Week Class

\$250

Classes are designed to have no more than 8 Dogs per class and 2 trainers. Each team gets the attention deserved in a smaller class while learning "heel, sit, down, stay, come, leave it, drop it," and the importance of the word "no." Behavioral problems such as mouthing and jumping may also be addressed. Throughout the class, handlers will learn how to deal with everyday situations involving their Dogs such as critter encounters, barking Dogs, strange surfaces and more. Any training devices needed will be provided. You and your Dog will also have the opportunity to take the AKC Canine Good Citizens Test as part of the class.

Intermediate Suburban K9

For All Dogs After One Basic Obedience Class

6-Week Class, \$250

This is the next class after mastering on-leash obedience. Each class is comprised of 4-6 Dog-Owner Teams to 2 Trainers and will help participants work with their Dogs at greater distances while maintaining control. Also, you and your Dog will learn 18 new commands like retrieval, walking backwards, coming when called (while other Dogs play), and much more. Your Dog will learn greater self-control, and you will learn how to help your Dog through the unexpected surprises the world throws at us. Participants also earn the opportunity to take the AKC Canine Good Citizens Test and the AKC Community Canine Test.

Advanced Country K9

For All Dogs Post Completion of Two Obedience Classes

5-Week Class

\$250

Now that you've mastered on-leash commands, it's time to give your K9 partner some freedom. These classes are comprised of 4-6 Teams to 2 Trainers. Participants learn to work with their Dogs at greater distances while maintaining control on a 20-ft leash. We will work with distractions and prepare you for the life of long line walks. This class will help you know if you want to take the next step to off leash and still give you and your Dog more freedom without losing a well-behaved companion. This class also enables participants to take the AKC Canine Good Citizen Test, also known as The Community Canine.

Elite Freedom K9 (Off Leash)

**For All Dogs Post Completion of Advanced Country K9
6-Week Class**

\$250

Now that you've mastered on-leash and distance commands, it's time to set your K9 partner free. These classes are comprised of 4-6 Teams to 2 Trainers. Get ready to learn how to work with your Dog and maintain control while off leash. But don't worry! We will work to prepare you for the "Oh look, SQUIRREL" scenarios that are bound to happen. We can teach with E-collars (electric) if you prefer, but it is not a requirement for the class. *(Approved E-collars: Dogta brands-- 200c/202c, 200NCPT, ARC, 280c, and 1900s. Petsafe brands -- Remote Training Collar 100-300 yard static, Remote Training Spray, Remote Training Vibration)*

If you are unsure which model to choose, we can help you make the best decision for you and your Dog. This class also enables participants to take the AKC Canine Good Citizen Test, also known as The Community Canine.

Personal Home Protection

For All Dogs Post Completion of On- and Off-Leash Obedience

40-Week Course

\$3000

This class is specifically designed to ensure your Dog is still a friendly, social member of the family and not a public liability. Your Dog will be taught to alert you to intruders by barking and placing themselves between the threat and their owners. These Dogs are NOT trained to ATTACK, but instead to defend their masters on command when threats arise. We will run scenarios to keep you safe during a walk, while in your car or home, and much more. We are using a PSA Dog sport style obedience and training, so if you are interested in such sports, you may compete with your Dog, as well.

Service Dog

\$65 Per Lesson

Brace/Mobility Support Dogs

Medical Assistance Dogs

Medical Alert Dogs

Psychiatric Service Dogs (PTSD, TBI, etc.)

Service Dogs will be taught/checked for basic and advanced obedience. The Dogs will also be taught public access and required tasks to help mitigate the handler's disabilities. Time for completion will depend on several factors, such as complexity of tasks and how well the team learns together. *Any training devices needed will be provided.*

Healing Paws Therapy Dog Class

For All Dogs Age 1 & Up, with Completion of Basic Obedience Class

7-Week Course

\$150

This small group class will cover the basics of what therapy Dogs and their handlers do during visits to various places such as schools, hospitals, and nursing homes. Dogs and handlers will be taught how to handle the various environments that may be present during visits. Handlers will learn to recognize signs of stress in their Dogs, as well as how Dogs provide calming effects on people. Preparation for Therapy Dog Evaluation credentialing is included in the course. For more information on these particular classes, please email training@fenrirservicedogslimited.org.
